All recliner chairs are supplied with the control on the 'left hand facing side' as standard.

Power Buttons are not available on models with adjustable headrests. Both single and dual motor recliners come with power buttons only.

Riser recliner chairs are fitted with a handset as standard. They feature a USB charging point located at the top of the handset. There is a removable hook on the back or opt for a magnetic holder which can be included with an additional cost of £29

Manual Recliners - please state if you would like a latch or a handle.
