Highgrove Mattress Weight Guides

Pistons Per Size	
Small Single and Single	2 Gas Pistons
Double, King and Super King	4 Gas Pistons

- End lift ottoman bases have a weight limit of 70kg
- Side Lift Ottoman bases have a weight limit of 60kg
- Electric End Lift Ottoman bases have a weight limit of 70kg
- 3'0 to 5'0 bedframes have 700n pistons for weight limit of 70kg and the 6'0 have 900n for weight limited of 90kg.
- Heavy mattress of over 50kg on an End lift or Side lift manual ottoman base we would advise that heavy duty pistons are purchased.
- Mattress of 50kg+ is used on an Electric End Lift Ottoman base then the opening/closing action will be slower in operation than if a 30-40kg mattress was been used.
